Job Description

Aureol Global Connections is inviting applications for Window Fitters on behalf of Ashgrove Engineering Limited T/A Ashgrove Renewables to join their expanding team, working on residential, commercial and agricultural projects across Ireland's growing renewable and retrofit sector. Located at Ida Business & Technology Park, Quaterstown Lower, Mallow, Cork P51 HY51.

The ideal candidate will be responsible for installing and replacing windows and related fixtures in residential and commercial properties. They measure and prepare openings, fit window frames and glass securely, and ensure proper sealing to improve insulation and weather resistance. The role involves using hand and power tools, working at heights, and ensuring all installations meet safety standards and customer requirements. Strong practical skills, attention to detail, and a focus on quality workmanship are essential for this role.

This is a full-time position based on a 39-hour work week, offering an annual salary of €36,605 - €38,000. Interested applicants are invited to submit their CV to info@aureolglobalconnections.com.
