Accounting Technician - Apprenticeship

Job Description

First Year Apprentice Vacancy Accounting Technician

Kyte is delighted to announce that this year we will take on an Accounting Technician Apprentice to add to our Finance team. The programme is open to school leavers, graduates, mature learners or employees who would like to upskill or move into an accountancy role. It is an exciting apprenticeship in a busy, well established manufacturing environment.

With nearly five decades of specialization in distribution transformers, our expertise is unparalleled, blending decades of experience with cutting-edge engineering and manufacturing knowledge. Renowned as industry leaders, our technical prowess is proven, positioning us firmly as global market leaders.

At Kyte Powertech, we're at the forefront of providing distribution transformers and tailored solutions to industries and utilities, with a growing focus on the renewable energy sector. Our products power businesses, homes, hospitals, and industries, delivering essential energy every single day.

We're committed to driving sustainability, evidenced by our impressive 78% reduction in carbon footprint and our ongoing journey towards carbon neutrality.

As a cornerstone employer in our region, we take immense pride in our heritage and the numerous international accreditations we've earned. Our trajectory is one of ambition and growth. Central to our ethos are the values of integrity, trust, and respect, which underpin every interaction—be it with customers, suppliers, or our dedicated employees.

We foster a supportive yet challenging work environment, nurturing both professional and personal growth for our team members. People Power our Business. Proactive people management builds our talent, retains our human wealth and provides agility to the organisation.

The management team and group have strong growth ambitions and are committed to investing in the business and people to ensure the company can meet the strong customer demand.
