Alloy Wheel Welder/Technician

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We are currently recruiting for an experienced Alloy Wheel Technician/Welder

- **Expert alloy wheel welding:** Perform intricate TIG welding to repair cracked or damaged alloy wheels, achieving deep depth and seamless fusion.
- **Heat control & structural integrity:** Manage heat input to prevent warping and ensure the wheel's structural integrity is fully restored.
- **Precision repair & safety:** Maintain exceptionally high standards across all repairs, ensuring every weld is road-safe, durable, and finished to a professional standard.
- **General garage duties:** Support full tyre services, including fitting, balancing, and installation.
- **Routine maintenance:** Carry out general vehicle servicing as required, including oil and filter changes and brake repairs (pads/discs).
