Junior Warehouse Manager

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

About the Company

Limerick Polymers Production Unlimited Company operates in the manufacture of plastic packing goods.

We are seeking a motivated Junior Warehouse Manager to join our team.

Main Responsibilities

Support the management of daily warehouse operations, including receiving, storage, and dispatch of goods.

Monitor stock levels and ensure accurate inventory control.

Assist in coordinating incoming and outgoing deliveries.

Maintain accurate warehouse records and documentation.

Ensure proper storage, handling, and organisation of plastic packaging materials and products.

Support the implementation of health and safety procedures within the warehouse.

Assist in improving efficiency and workflow within warehouse operations.

Work efficiently in a fast-paced manufacturing environment.

Candidate Profile

Minimum 2 years' experience in a warehouse, logistics, or similar role.

Basic knowledge of warehouse operations and stock control procedures.

Good organisational and problem-solving skills.

Ability to work effectively as part of a team.

Good communication skills.

Attention to detail and ability to manage tasks efficiently.

Must be available to work 39 hours per week.

Benefits

Salary of €36,605 per year (€18.05 per hour).

Full-time, permanent position.

Stable role within an established manufacturing business.

Opportunity to develop skills and progress within warehouse management.
