### Job Description

Aureol Global Connections is seeking Site Engineers on behalf of Coolsivna Construction Limited, The Square, Treanrevagh, Mountbellew, Co. Galway, H53 W9X2.

The ideal candidate will be responsible for overseeing technical aspects of construction projects on-site, ensuring work is carried out accurately and according to design specifications. They set out project works, interpret drawings, and liaise with contractors, architects, and project managers to coordinate activities. Site engineers monitor progress, ensure quality control, and address any technical issues that arise during construction. Strong problem-solving skills, attention to detail, and a solid understanding of engineering principles and construction methods are essential for this role. This is a full-time role of 39 hours per week with an annual salary range of €36,605-€46,000. Interested applicants should send their CV to [info@aureolglobalconnections.com](mailto:info@aureolglobalconnections.com).

- **Sector:** other service activities

### Career Level

- Experienced [Non-Managerial]
