Joiner – Workshop Manager

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Our client, P & L Carpentry Limited, based in Trim, Co. Meath, is currently seeking a Joiner – Workshop Manager for immediate start at their facility in Trim, Co. Meath.

Key Responsibilities and Duties:

Take overall responsibility for the day-to-day operation of the joinery workshop.

Lead, supervise, and support a team of joiners and workshop staff, ensuring productivity and quality standards are consistently achieved.

Produce bespoke furniture and joinery items in line with project specifications and technical drawings.

Plan, schedule, and coordinate workshop production to meet project deadlines and client requirements.

Read and interpret detailed technical drawings and specifications, providing guidance to the workshop team as required.

Construct high-quality wooden components such as stairs, doors, door and window frames, and bespoke furniture items.

Operate and oversee the safe use of woodworking machinery, CNC equipment, hand tools, and power tools.

Work with a wide range of materials including hardwood, softwood, MDF, veneers, and laminates.

Ensure all finished products meet required quality, design, and safety standards before dispatch or installation.

Monitor stock levels, materials usage, and waste, supporting efficient workshop operations.

Enforce health and safety procedures and maintain a clean, organised, and compliant workshop environment.

Support continuous improvement initiatives within the workshop, including process improvements and skills development

Requirements:

Proven experience and technical ability to carry out all joinery duties listed above.

Minimum of 3–5 years' experience as a Joiner, with demonstrated experience in a workshop or manufacturing environment.

Previous experience in a supervisory, lead joiner, or workshop management role is highly desirable.

Strong knowledge of woodworking machinery, tools, CNC equipment, and modern joinery techniques.

Ability to read and interpret technical drawings with a high level of accuracy and attention to detail.

Experience working in a large factory or workshop with high-quality and/or high-volume output.

Background in bespoke joinery, furniture manufacture, or joinery fit-out projects.

Strong organisational, problem-solving, and leadership skills.

Commitment to exceptional craftsmanship, quality control, and health & safety standards.

Relevant trade certification or qualification is advantageous but not essential.

Annual Remuneration: €65,000.00; Pay rate €28.41 per hour

Work Location: P & L Carpentry Limited, 18 Oaktree Business Park, Trim, Co. Meath, C15 XA03.

Number of hours work each week: 44

If you are interested in this role, please apply with an up-to-date CV to info@crewitresourcing.com or call 019020688 to enquire for more details.
