Welder

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

The welder will work on construction sites, using MIG and Arc welding techniques on steel structures. The role focuses on welding tasks to help assemble and maintain structures safely and correctly.

Main duties include:

- Read simple drawings and follow instructions
- Carry out welding using MIG and Arc/stick methods
- Cut and prepare metal parts for welding
- Join metal components on-site (various locations)
- Check finished welds for quality and strength
- Follow health and safety rules at all times
- Keep tools and equipment clean and in working condition
- Work as part of a construction team (good communication essential)

Requirements:

- Experience in MIG and arc/stick welding
- Basic understanding of construction work
- Ability to follow instructions and work safely
- Physically fit and able to handle manual work

Job is mainly based on construction sites.

- **Sector:** construction

Career Level

- Experienced [Non-Managerial]
