### Job Description

Here's a great opportunity to join a very successful and well-established business, with full-time, permanent work in various locations in Ireland. Handy Lads Solutions Limited has contracts in Ireland, the UK and Europe and is growing rapidly.

Roles and Responsibilities of the role:

Painter: You will be responsible for Surface Preparation, choosing materials, application techniques, detailing and finishing, and cleanup & disposal. The work will involve cleaning walls, ceilings, or other surfaces, scraping off old paint, sanding rough areas, filling cracks or holes with putty or filler, applying primer to ensure paint adheres properly. Selecting the right type of paint (e.g. emulsion, enamel, oil-based, water-based). Picking finishes like matte, satin, gloss, or textured. Choosing brushes, rollers, or spray equipment depending on the job. Brushing, rolling, spraying and applying multiple coats for durability and even coverage. Touching up edges and corners, removing tape and cleaning up spills, inspecting for streaks, bubbles, or uneven patches, final polishing or protective coating if needed. Cleaning brushes and tools, safely disposing of leftover paint and materials, ventilating the area to remove fumes.
