Pig Farm Assistant

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Responsibilities associated with this role include, but are not limited to:

Perform required daily tasks in the Nursery & Finishing sections

Ensure that pigs have access to feed and water at all times

Monitor pigs daily for health issues and treat according to the Animal Care Plan

Assist with weekly movement of pigs from the nursery to finishing sections

Assist with selection and loading of finished market pigs and replacement gilts

Monitor room environments, including temperature and air quality

Maintain high standards of cleanliness, sanitation, and hygiene within the section

Remove deceased pigs and dispose of appropriately

Maintain and update all section records, including MetaFarms, worksheets, and door charts

Provide assistance to the Farrowing and Lactation section on weaning days

Assist with room preparation, including tear down, power washing, disinfection, and setup

Perform section preventative maintenance, conduct regular facility and equipment checks, and carry out basic repairs

Assist other sections as directed by the Production Manager

Attend staff meetings and training sessions as scheduled

Maintain consistent and punctual attendance

Follow all Fenor Farms production, health and safety, and biosecurity policies

Ensure animals are treated humanely and in compliance with the Animal Health and Welfare Act

Skills / Qualifications / Experience:

Requires intermediate English-language competency (reading, writing, conversational)

Flexibility to work weekend on a rotational roster

Basic technology skills to enter production data on a smartphone or tablet app

Previous experience in animal care preferred

Ability to follow animal care protocols and farm operating standards

Strong attention to detail and reliable record-keeping habits

Ability to work well as part of a team and follow direction

Self-motivated, dependable, and committed to animal welfare

Physically capable of manual tasks

- **Sector:** agriculture, forestry and fishing
