Job Description

About the role

Facilities Manager – Technical & Soft Services (GMP Environment)

Location:

Lilly Site, Limerick, Ireland

Salary: €80,000 DOE + performance-related bonus

Lead Integrated Facilities at a Global Pharma Site

We are seeking an experienced Facilities Manager with a strong background in technical services, soft services, and GMP-regulated environments to lead integrated service delivery at a major pharmaceutical site in Limerick.

This is a high-impact leadership role, responsible for overseeing multi-service operations in a complex, compliance-driven setting. You will lead both hard and soft FM services, ensuring operational excellence, regulatory compliance, and a best-in-class client experience.

What You'll Be Responsible For

Integrated Service Delivery

Lead end-to-end delivery of hard FM (technical services) and soft FM (cleaning, GMP cleaning, catering, hospitality, landscaping, pest control)

Drive performance across multiple service lines in a highly regulated GMP environment

Client Leadership

Act as the senior on-site lead and key client interface

Build strong, trusted relationships with stakeholders and drive continuous improvement

Compliance & Quality

Ensure full compliance with GMP/GXP standards, HSE requirements, and audit readiness

Embed a culture of quality, safety, and operational discipline

Commercial & Operational Performance

Own P&L, budgeting, and cost control

Drive efficiencies, service innovation, and value delivery

People Leadership

Lead and develop a team of managers and supervisors across multiple disciplines

Build a high-performing, accountable, and engaged workforce

What We're Looking For

Essential Experience

Proven leadership experience in Facilities Management (hard & soft services)

Strong background in GMP or regulated environments (pharma, biotech, med devices, etc.)

Experience managing multi-service FM contracts at scale

Solid understanding of technical services (M&E, utilities, asset management)

Demonstrated commercial acumen with P&L responsibility

Excellent client-facing and stakeholder management skills

Desirable

Degree or qualification in Facilities Management, Engineering, or Business

NEBOSH or equivalent health & safety qualification

Professional FM accreditation (e.g. IWFM, CFM)

- **Sector:** administrative and support service activities

Career Level

- Experienced [Non-Managerial]
