Welders

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Multiple Locations :

- Co. Kerry,
- Co. Sligo,

Elecnor Ireland Limited requires Welders to join the team based in County Kerry and County Sligo. The standard weekly hour is 45 and the annual salary ranges from €70,000 to €75,000, depending on experience.

This role is responsible for joining metal parts using various welding processes to manufacture or repair structures and components with high precision and strength.

Key Responsibilities:

- Perform welding tasks using MIG, TIG, or Stick (SMAW) processes based on project specifications.
- Read and interpret technical drawings, blueprints, and weld symbols.
- Inspect finished welds for cracks, beads, or defects to ensure quality standards.
- Operate grinders, torches, and other metalworking tools for surface preparation and finishing.

Requirements:

- Proven experience as a Welder and familiarity with different types of metals (steel, aluminum, etc.).
- Valid welding certifications (AWS, ASME, or equivalent) are often preferred.
- Expertise in manual dexterity and attention to detail while following strict PPE guidelines.

- **Sector:** electricity, gas, steam and air conditioning supply

Career Level

- Experienced [Non-Managerial]
