In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Aureol Global Connections is hiring Civil Engineers on behalf of Kdm Construction Limited t/a Kdm Engineering Group, The Crescent, Boyle, Roscommon F52 X627, for their infrastructure and residential development projects. The ideal candidate will be responsible for setting out works on site using GPS equipment and total stations, ensuring accuracy in line with design drawings and specifications. Duties include establishing site control points, interpreting engineering drawings and survey data, overseeing excavation works, and setting out line and level for watermains, foul sewer, and stormwater drainage systems. The role also involves ensuring compliance with Uisce Éireann standards and Irish Water Codes of Practice, carrying out as-built surveys, maintaining accurate site records, supporting quality control inspections, liaising with design teams and site management, and ensuring all works comply with Irish Building Regulations, BCAR requirements, and health and safety standards. This full-time position is based on a 40-hour work week, with an annual salary of €45,000. Interested applicants are invited to send their CVs to info@aureolglobalconnections.com
