Scaffolder

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Currently looking for a scaffolder for ongoing work in Galway, Dublin, Athlone and Naas.

Job Description

Erect, alter, maintain and dismantle safe, compliant scaffolding structures on construction sites. Ensure all work follows technical designs, industry standards and health and safety regulations to provide safe access for other workers.

Key Duties

- Prepare, inspect and assemble scaffolding materials and equipment
- Read and follow technical drawings and specifications
- Build and dismantle tube and fitting scaffolds, system scaffolds and access towers
- Install safety features including guardrails, toe boards and safety netting
- Report hazards, damaged materials or defects immediately
- Adhere strictly to all site safety rules and legal requirements

Requirements:

- Minimum 2–3 years proven relevant experience
- Valid recognised certification (e.g. CISRS or equivalent)
- Knowledge of scaffolding methods and safety regulations
- Ability to work safely at height and in varying conditions
- Physically fit, reliable and able to work within a team
