Cycling Infrastructure & Fleet Utilization Estimator

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Multiple Locations :

- Merchants House, 27-30 Merchant's Quay, Dublin 8, D08 K3KD
- Bond House, 9/10 Brg St Lwr, Dublin 8, D08 TH76

Bleperbike Ireland Opco Limited t/a Bleper is hiring a Cycling Infrastructure & Fleet Utilization Estimator at their premises in Unit 4, 27-30 Merchants House, Merchants Quay, Dublin D08 K3KD and 9-10 Bond House, Lower Bridge Street, Dublin 8. D08 TH76.

The salary range starts from €36,605 (€18,05 Per Hour) to to €54,000 (26.63/hr) based on a 39-hour week. Salary will increase proportionately if additional hours are required. Salary offered shall be based on relevant experience and qualifications.

The Cycling Infrastructure & Fleet Utilization Estimator is responsible for preparing cost estimates, pricing models, and utilization assessments to support infrastructure projects and fleet-based schemes. The role involves analysing project requirements and producing accurate, well-evidenced estimates across a range of commercial and operational contexts.

Requirements

- Relative Experience
- Strong analytical and numerical skills
- Proficiency in cost modelling tools and spreadsheet software
- Ability to interpret technical documentation and project specifications
- Good written and verbal communication skills
- Ability to manage multiple estimates and meet deadlines
- Fluency in Spanish (native or near-native level) required for engagement.

Fleet Utilization Analysis

- Model fleet sizing and deployment costs to support scheme pricing and feasibility assessments

- Analyse utilization data to estimate operational costs and efficiency metrics
- Produce cost projections for fleet operations, maintenance, and rebalancing activities
- Assess cost implications of fleet changes and operational adjustments

- **Sector:** administrative and support service activities

Career Level

- Experienced [Non-Managerial]
