## Transport Operations & Commercial Driving - Apprenticeship

### Job Description

UMR Group are now seeking full time, enthusiastic apprentices to join our company as a trainee articulated lorry driver.

As an apprentice you will be part of an energetic team within a very busy metal recycling company.

The Transport Operations & Commercial Driving Apprenticeship provides the academic qualification and practical training and work experience that supports a vibrant and exciting career in the freight distribution and logistics sector. Apprentices will also receive expert driving lessons and training in advance of completing their C/CE driving test and attaining the Driver CPC qualification.

The academic award for this apprenticeship is a Higher Certificate (NFQ level 6) in Business in Transport Services and is the first qualification on the national framework of qualifications (NFQ) linked to the profession of commercial driving

For more information please see [apprenticeship.ie](http://apprenticeship.ie)

**Note:** As part of the national apprenticeship system, there are formal requirements for approval of an employer's suitability to train apprentices and for registration of apprentices. Advertising on this site does not guarantee that Employers are approved to recruit and train for apprenticeship positions.

- **Sector:** water supply; sewerage, waste management and remediation activities
