Mechanical Engineer

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

George Corbett Motors Limited is currently recruiting a Mechanical Engineer to join their team at Cork Rd, Ballynaneashagh, Waterford, X91 H306.

The salary range starts from €36,000 to €56,000 based on a 39-hour week. Salary will increase proportionately if additional hours are required. Salary offered shall be based on relevant experience and qualifications.

Description:

Design, develop, and improve mechanical systems and components.

Conduct inspections, diagnostics, and performance evaluations of mechanical equipment.

Prepare technical drawings, specifications, and reports.

Oversee installation, testing, and commissioning of mechanical systems.

Ensure compliance with safety, quality, and regulatory standards.

Troubleshoot mechanical issues and implement corrective solutions.

Maintain accurate engineering and maintenance documentation.

Work collaboratively with technicians, fitters, and other departments.

Key Requirements:

Be a qualified Mechanical Engineer with a minimum of 3 years of relevant experience. Applicants must have a good command of the English language. Must possess strong analytical and problem-solving skills, technical competence, and effective teamwork and communication abilities.

- **Sector:** wholesale and retail trade; repair of motor vehicles and motorcycles
