Packing Machine Operator

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Avery Dennison is currently recruiting a Packing Machine Operator in its Dublin Location. Every day, we rise to the challenge to make a difference and here's how the Packaging Operator will make an impact

Key responsibilities for this role include:

To safely carry out production duties as directed in the assigned packaging area.

To carry out all production operations in the assigned area in accordance with Standard Operating Procedures (SOPs) or as directed by the relevant Batch Manufacturing or Packaging instructions.

To assist, as a member of the Production team, towards the delivery of production output targets and quality levels on schedule.

To carry out all production operations in the designated area in accordance with current Good Manufacturing Practices (cGMPs).

To complete all documentation and/or electrical batch records relating to production activities as required in a timely fashion.

To immediately notify the Supervisor or Line/Process Lead of any deviation from SOPs and/or deviations in the standard production process.

To actively take part in Continuous Improvement on site

To ask, if in doubt, about any particular practice or unusual finding.

The minimum qualifications for this role are:

A third level education is desirable.

Experience in high speed packaging experience in the Pharmaceutical, Industrial or Food industry will be advantageous.

Experience with one or more of the following operations would be advantageous: high speed packaging lines and/or working in a GMP Environment).

- **Sector:** transportation and storage

Career Level

- Experienced [Non-Managerial]
