In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Glenmill Engineering Limited is seeking an experienced Welder to join our team based in Co. Cork. Duties include mild and stainless steel fabrication, welding and assembly of parts. The role involves reading and interpreting 3D models and technical drawings to fabricate steel components. The candidate will be required to operate fabrication hand tools with a high level of skill to ensure a high-quality finish. Must have a minimum of 2 years' relevant welding or fabrication experience. Position is permanent and full time, 39 hours per week with € 46,644.00 per annum, location in county Cork. To apply through Jobsireland portal.
