Quality Control Associate

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

CANDY CLOUD AMERICAN SWEETS LIMITED is expanding its operations and is seeking a skilled and motivated Quality Control Associate to join our growing team. This is an excellent opportunity for a detail-oriented Person to contribute to maintaining the highest standards of product quality, food safety, and regulatory compliance across our range of candy, sweets, vape-related products, and specialty drinks, while building a rewarding career in a dynamic retail and distribution environment.

Key Responsibilities:

- Conduct routine quality inspections on candy, sweets, specialty drinks, and vape-related products to ensure compliance with company standards and regulatory requirements.
- Monitor incoming stock and verify product quality, labelling, packaging integrity, and expiry dates.
- Implement and maintain food safety and hygiene procedures in line with HACCP principles and relevant compliance standards.
- Perform quality checks during receiving, storage, handling, and merchandising of products.
- Identify, document, and report quality issues, product defects, or non-conformances and support corrective actions.
- Ensure compliance with health and safety regulations, product traceability, and stock rotation procedures.
- Assist in maintaining accurate quality control records, inspection reports, and compliance documentation.
- Work closely with management and staff to improve product quality standards and operational procedures.
- Assist in training staff on quality standards, hygiene practices, and product handling procedures.

Requirements:

- Minimum of 2 years of experience in quality control, food safety, food production, retail

compliance, or a related field.

- Industry standard accreditation/certificate will be an advantage.
- Knowledge of food safety regulations, HACCP principles, and quality assurance procedures.
- Strong attention to detail with good inspection, reporting, and analytical skills.
- Ability to identify product defects and implement corrective actions effectively.
- Good communication and teamwork skills.
- Ability to work independently and manage workload effectively.
- Bilingual (Urdu / Punjabi / English).
- Must hold a Right to work in Ireland.
- **Sector:** wholesale and retail trade; repair of motor vehicles and motorcycles

Career Level

- Experienced [Non-Managerial]
