BlueChips Limited is looking for Tilers.

A tiler is a person whose job is to lay tiles on floors and walls.

Tiles are used to cover interior and exterior surfaces, such as the floors, walls and ceilings of homes (especially bathrooms and kitchens), commercial and office spaces and outdoor environments, such as gardens, patios, terraces and swimming pools. A thin covering unit of varying size and shape (e.g. squares, rectangles, diamonds), tiles may be made of a range of materials, including ceramics, brick, marble, plastic and natural and artificial stone.

The main duties of a tiler are as follows:

Inspecting surfaces to be tiled

Providing quotes and estimates (e.g. number of tiles and quantities of materials required, installation time and costs)

Surface preparation work (e.g. removing old grout and cement and cleaning and levelling surfaces)

Laying tiles in accordance with tiling plan, cutting tiles where necessary

Grouting gaps between tiles

Carrying out finishing work, where necessary
