## Industrial Electrician

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

Aureol Global Connections is hiring Industrial Electrician on behalf of RCC Engineering Ltd TA/ RIGHT GROUP located at Island Point, Castleisland Business Park, Tralee Road Castleisland Co. Kerry V92 E894

This role involves delivering and commissioning small- to medium-scale electrical installations, including the installation and configuration of instrumentation, control equipment, pumps, variable speed drives (VSDs), and associated control systems. The position requires the ability to interpret technical drawings and electrical schematics, carry out inspections, produce reports, and perform testing, all while adhering to relevant safety regulations and industry standards. You will work closely with site teams on installation, repair, and modification projects. Candidates should be trade-qualified in Electrical or E&I, with a QC qualification considered an advantage. Additional mechanical experience and experience in the water or wastewater sector are desirable. Applicants must hold valid Safe Pass and Manual Handling certificates, and demonstrate strong problem-solving skills along with the ability to work independently. This is a full time job, 39 hours per week, salary range from €45000-€55000 annually. Interested applicants are invited to send their CVs to [info@aureolglobalconnections.com](mailto:info@aureolglobalconnections.com)

- **Sector:** other service activities
