Kinsella Construction and Shopfitting firm is actively seeking an experienced plumber to become a valuable part of our team. In this role, you will be responsible for the installation, maintenance, and repair of plumbing systems and fixtures on construction projects. The ideal candidate should possess a solid understanding of plumbing systems, the ability to interpret technical drawings and blueprints, and the capacity to work efficiently both independently and as part of a construction team.

Key requirements for this position include a proven track record in plumbing work, proficiency in troubleshooting and solving plumbing issues, a strong commitment to safety protocols, and the physical stamina to work under diverse conditions.

We are searching for a dedicated and skilled plumber who can contribute to our projects and ensure that all plumbing work meets the highest quality and safety standards. If you meet these standards and are eager to join our team, please submit your resume and relevant certifications for consideration. We look forward to welcoming a talented plumber to our construction firm.
