Maintenance Fitter

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Aureol Global Connections is hiring Maintenance Fitters on behalf of RCC Engineering Ltd TA/ RIGHT GROUP located at Island Point, Castleisland Business Park, Tralee Road Castleisland Co. Kerry V92 E894. The role involves mechanical assembly and installation work for water and wastewater treatment plants, maintenance and repair of pumps, motors, gearboxes and drive systems, pipework installation, and carrying out inspections and refurbishment works. The ideal candidate will be a qualified Mechanical Fitter (or equivalent) with experience working with pumps and mechanical drive systems, preferably within the water or wastewater industry. Candidates must be committed to safety standards and completing required documentation. This is a full-time role of 39 hours per week with an annual salary range of €45,000-€55,000. Interested applicants should send their CV to info@aureolglobalconnections.com.
