Welder & Fabricator

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We are seeking a Welder and Fabricator to manufacture, assemble, and repair metal products and structures according to drawings and specifications. The ideal candidate should have experience with various welding techniques, fabrication tools, and workshop safety procedures.

Key Responsibilities

- Read and interpret technical drawings, and measurements
- Cut, bend, shape, and fit metal materials using fabrication equipment
- Perform welding using MIG, TIG, Arc, or gas welding methods
- Assemble metal structures and components accurately
- Inspect finished products to ensure quality and dimensional accuracy
- Operate grinders, drills, saws, and other workshop machinery
- Repair damaged metal components and structures
- Maintain tools, equipment, and a clean work area
- Follow health and safety regulations at all times
- Work independently
