Job Description

Dublin, Republic of Ireland

Salary and Benefits: €80,000 DOE | Car Allowance | Sodexo Benefits

Contract Type: Full-Time | Permanent | Monday – Friday

About the Role:

We are seeking an experienced Senior Technical Services Manager to lead the delivery of Hard FM services across a high-profile client portfolio in Dublin.

This is a senior operational leadership role responsible for managing technical services, engineering teams, specialist contractors, compliance, and service performance across multiple sites within a fast-paced corporate environment.

You will play a key role in driving operational excellence, ensuring statutory compliance, managing financial performance, and building strong client relationships while leading a high-performing technical services team.

Key Responsibilities:

Lead the delivery of all Hard FM and technical services across the portfolio

Manage engineering teams, CAFM administration, contractors, and specialist vendors

Ensure PPMs, reactive works, and projects are delivered on time and within budget

Drive SLA/KPI performance, compliance, and continuous improvement initiatives

Manage contractor performance, variation orders, and technical service standards

Support financial performance through cost control, forecasting, and budget management

Build strong relationships with clients and manage escalations professionally

Ensure compliance with all statutory, health & safety, and contractual requirements

Support mobilisation activities, innovation projects, and service improvements

About You:

Essential:

7+ years' experience within Hard FM / Technical Services environments

Strong technical or engineering background

Proven experience managing technical teams and contractors across multiple sites

Strong understanding of compliance, PPMs, reactive maintenance, and CAFM systems

Commercially aware with experience managing budgets and service performance

Excellent stakeholder and client management skills

Strong leadership, communication, and problem-solving abilities

Desirable:

Technical or Engineering qualification

NEBOSH or equivalent health & safety qualification

Experience within large corporate or critical environments

We also offer a range of perks, rewards and benefits for our colleagues and their families:

Unlimited access to an online platform offering wellbeing support

An extensive Employee Assistance Programme to help with everyday issues or life's larger problems, including legal and financial advice, support with work or personal issues impacting your wellbeing

Access to a 24hr virtual GP Service

Sodexo Discounts Scheme, offering great deals 24/7 across popular high street retailers (also open to friends and family)

Save for your future by becoming a member of the Pension Plan

Opportunities to enable colleagues to grow and succeed throughout their career at Sodexo, including a variety of learning and development tools

Bike to Work Scheme to help colleagues to do their bit for the environment whilst keeping fit
