Job Description

Role Summary

This is a hands-on role within a meat processing environment. The position involves operating on production lines, ensuring product quality, and supporting efficient production processes.

Role and Responsibilities will include:

- Operating on food production and packing lines.
- Maintain cleanliness and hygiene standards in line with food safety regulations
- Packing and Labelling products.
- Un-packing raw ingredients
- Operating machinery and equipment safely and efficiently
- Ability to work effectively as part of a team.

Previous experience in a food manufacturing or similar environment desirable but not essential.

Food safety or HACCP training is an advantage.

Salary and Benefits

Gross annual salary as specified

Overtime: [As per company policy]

Hours of Work

Full time, 39 hours per week

Working pattern: Monday to Friday

Occasional weekend work may be required depending on needs of the business
