Warehouse Operations Supervisor

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We are seeking a Warehouse Operations Supervisor to support the setup and day-to-day running of our new Limerick fulfilment operation. The successful candidate will support operational launch activities including warehouse setup, inventory organisation, fulfilment workflow implementation, goods receiving, dispatch operations, and coordination of warehouse workflow within a growing e-commerce environment.

Key Responsibilities:

- Support setup and operational launch activities within the warehouse operation
- Support daily warehouse operations including receiving, storage, picking, packing, and dispatch
- Coordinate warehouse workflow and support operational efficiency
- Support inventory accuracy and stock control processes
- Assist with warehouse organisation, fulfilment readiness, and operational setup activities
- Support local carrier coordination and warehouse administration activities
- Ensure compliance with warehouse health and safety procedures
- Support achievement of fulfilment and dispatch targets
- Assist with onboarding and day-to-day support of warehouse staff
- Use warehouse management systems (WMS) to support warehouse operations and inventory tracking
- Escalate operational issues, stock discrepancies, or delays where required

Requirements:

- Experience working in a warehouse, logistics, or fulfilment environment
- Understanding of warehouse operations and stock control procedures
- Ability to work in a fast-paced operational environment
- Good communication and organisational skills

Desirable:

Previous experience in a supervisory, team lead, or senior operative role

Experience using warehouse management systems (WMS)

Experience in e-commerce or consumer goods fulfilment

Forklift certification

The recruitment process includes an operational aptitude assessment, which takes approximately 40 minutes to complete, followed by an online interview for shortlisted candidates. Candidates are requested to complete the assessment in accordance with the application instructions provided.

- **Sector:** transportation and storage
