Electrical Maintenance Technicians

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Our client, Moovmor Engineering Limited based in Kildare, Co. Kildare, is currently seeking Electrical Maintenance Technicians for immediate start at their facility in Kildare, Co. Kildare.

Qualifications:

There are no minimum academic requirements. Training will be provided on-the-job. A minimum of 2 years' previous experience as an Electrical Maintenance Technician or similar is required. No formal qualifications are required for this role.

General Duties / Responsibilities / Experience:

- To provide preventive and reactive electrical maintenance to waste compaction and recycling machinery and equipment
- To work with electrical engineers to perform technical tasks and assist in the design, testing, manufacturing, operation and repair of electrical systems and industrial machinery
- To install, maintain and troubleshoot electrical installations, circuitry and control panels according to required specifications
- To monitor technical aspects of the installation, utilisation, maintenance and repair of electrical systems and equipment to ensure satisfactory performance and compliance with regulations
- Essential knowledge for the role includes electrical components, control systems, electrical discharge and engineering drawings
- Candidates must have knowledge of electrical testing methods, electrical wiring diagrams and electricity principles
- Essential skills include aligning components, applying soldering techniques and adjusting

electrical and engineering systems

- Candidates must be competent to ensure material compliance, measure electrical characteristics and perform test runs
- Candidates must have experience in recording test data, testing electrical equipment and reading technical drawings and blueprints
- Previous experience in providing electrical maintenance within an industrial manufacturing or recycling machinery environment is a plus
- 2 years of previous relevant experience as an Electrical Maintenance Technician or similar role is required.

Annual remuneration: €36,605.00; Pay rate €18.05 per hour

Work Location: Moovmor Engineering Limited, 31 Kildare Business Park, Melitta Road, Kildare, Co. Kildare, R51 FH63.

Number of hours work each week: 39
