Job Description

Construction Site Supervisor required for busy construction and renovation company in Dublin. Duties include supervising daily site activities, coordinating workers and subcontractors, monitoring quality of work, organising materials and ensuring projects are completed safely and on schedule. The role involves supporting renovation, painting, flooring, plastering and general construction projects across residential and commercial properties.

The successful candidate should have practical construction experience, good communication skills, ability to organise work on site and attention to detail. Knowledge of health and safety procedures and ability to work independently and within a team are important. Experience in renovation and finishing works is an advantage.

This is a full-time permanent position with long-term opportunities for the right candidate.
