Job Description

McAree Engineering Works Limited are looking for multiple CNC Operators for their premises at Ballinode, County Monaghan, Ireland. H18 K103.

The salary ranges from €36,000 to €56,000 based on a 39-hour week. Salary may be more based on experience and will increase proportionately if additional hours are required.

We operate a suite of 4 Trumpf lasers and 7 Trumpf Press brakes along with a 2 Trumpf 5000 punch and an ancillary suite of metal processing machines including, rolls, drills, spiral ducting machines among others.

Requirements:

- Ability to read and understand technical drawings essential
- Experience of laser cutting and/or Press Brakes
- Experience of Trumpf Lasers, Press Brakes and Punch machines will be an advantage
- Ability to work as part of a multicultural team
- Forklift license would also be desired but not essential
- Practical understanding of safe methods of work

The Ideal Candidate will have:

- a minimum of 2 years' experience in a manufacturing environment
- a technical qualification
- excellent communication skills
- experience of operating CNC machines
- **Sector:** manufacturing

Career Level

- Experienced [Non-Managerial]
