Job Description

Aureol Global Connections is hiring Computer Numerical Control (CNC) Machinist on behalf of Inishowen Engineering Manufacturing Ltd, Shandrum, Drumfries, Co. Donegal. We are seeking a skilled and detail-oriented CNC Machinist to join our dynamic manufacturing team. In this role, you will be responsible for setting up, operating, and programming CNC machines to produce high-precision components according to specifications. The ideal candidate will have a strong background in machining processes, a thorough understanding of blueprints and technical drawings, and experience with various CNC equipment. Attention to detail, problem-solving skills, and a commitment to quality are essential. If you are passionate about precision manufacturing and thrive in a collaborative environment, we invite you to apply and contribute to our innovative projects. This is a full-time role of 39 hours per week with an annual salary range of €36605 - €40000 Interested applicants should send their CV to info@aureolglobalconnections.com.
