### Job Description

Financial Accountant

Dublin 22

€60'000 - €70'000 + excellent package

This is a position for a career minded accountant who wants to work within a group structure and continue to develop their career in a best practice environment. This Group have grown year on year for the last 10 years, and plan to continue this path through organic growth and acquisition. Your role will report to a Finance Manager and you will cover,

Prep of Month end accounts, Consolidated Balance Sheet, Cash flow and monthly reporting packs. Supporting on the Audit process, conducting analysis, developing metrics, and adding value to the process. Supporting on tax and budgeting.

You will also have an opportunity to get involved in divisional projects to support the continual improvement ethos of the company. You will work within a highly supportive team and with excellent mentorship.

It is essential you have an accounting related degree qualification and either fully or part qualified in a professional accounting body. You will have no less than 3 years experience in a full accounting role.

- This vacancy is suitable for Remote/Blended working
- **Sector:** wholesale and retail trade; repair of motor vehicles and motorcycles

### Career Level

- Experienced [Non-Managerial]
