## Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit.Please review the Eligibility and requirements for an employment permit if you are unsure of your eligibility to apply for this vacancy.

## Job Description

Our client, McGrath's Limestone (Cong) Limited, based in Cong, Co. Mayo, is currently seeking Plant Mechanics for immediate start at their head office in Cong, Co. Mayo.

Key Responsibilities & Duties:

- To maintain, troubleshoot, repair, and service machinery and equipment used in quarry activities
- To ensure that all quarry machinery is operating efficiently and safely, to minimize downtime, and to support the overall productivity of the quarry
- To perform regular maintenance checks on quarry machinery, including mixers, conveyors, pumps, crushers, and batching systems.
- To conduct preventative maintenance tasks to extend the life of equipment and minimize breakdowns.
- To lubricate machinery, replace worn parts, and ensure all components are in good working condition.
- To identify mechanical, electrical, and hydraulic issues in quarry equipment and diagnose problems accurately.
- To repair or replace faulty parts, ensuring that all machinery is returned to full operational capacity in a timely manner.
- To perform both scheduled and emergency repairs to minimize downtime.
- To ensure all work is conducted in compliance with health, safety, and environmental regulations.
- To maintain accurate records of maintenance, repairs, and inspections performed on quarry equipment.

Requirements:

- Candidates must be competent to perform all job duties listed above
- A mechanic qualification or certificate is a bonus but is not mandatory
- 2-3 years' of proven relevant experience as a Plant Mechanic is required.
- Experience working as a Mechanic in a quarry with heavy machinery is a plus
- Essential knowledge includes mechanical, electrical, hydraulic, and pneumatic systems, as well as the ability to diagnose and fix issues promptly to ensure smooth plant operations
- Essential knowledge includes strong mechanical, electrical, and hydraulic knowledge, ability to read technical drawings, schematics, and manuals, and excellent trouble-shooting and problem solving skills
- Essential skills include application of relevant health & safety and environmental legislation, performance of system checks and adjustments on machinery, and monitoring of inventory supply for required equipment
- Candidates must be competent to assist in the installation and commissioning of new equipment or upgrades
- Candidates must be competent to monitor stock levels of spare parts, tools, and equipment needed for maintenance and order parts and supplies as needed
- Candidates must have experience in preventive and reactive maintenance of quarry/plant equipment

Annual remuneration: €36,605.00; Pay rate €18.05 per hour

Work Location: McGrath's Limestone (Cong) Limited, Cregaree, Cong, Co. Mayo, F31 W425.

Number of hours work each week: 39
