### Job Description

CNC OPERATOR

Location: Station House Glanbeg Kinsale Co. Cork Eircode P17 TK50

Contract: Full-time, Permanent

Hours: 39 hours per week

Salary: €36,605 per annum

Engineering and Design Ltd is seeking an experienced CNC Operator to join our precision manufacturing team.

#### Key Responsibilities:

- Set up and operate CNC lathes and milling machines, ensuring safe and efficient production;
- Read and interpret engineering drawings, blueprints, and GD&T specifications;
- Perform in-process inspections using precision measuring instruments (micrometers, calipers, height gauges, etc.);
- Select, install, and adjust cutting tools and inserts;
- Troubleshoot machining issues, make necessary adjustments, and monitor machine performance;
- Work with various materials including aluminum, carbon steel, stainless steel, and bronze;
- Carry out routine machine maintenance and complete accurate production and quality documentation.

#### Requirements:

- A technical certification or associate degree in machining or a related field is highly desirable.
- Minimum 2 years proven experience as CNC Operator;
- Strong ability to read technical drawings and use precision measuring tools;
- Reliable team player with excellent attention to detail.
