Job Description

JOB DESCRIPTION & KEY REQUIREMENTS

PALLET SERVICE AC LTD is seeking a reliable and hardworking Wood Pallet General Operator to join its production and warehouse team. This is a full-time position involving the manufacturing, repair, handling, and processing of wooden pallets in a busy industrial environment. The successful candidate will play an important role in supporting daily operations, ensuring efficient workflow, and maintaining high standards of safety and quality.

The role involves working as part of a team to produce, repair, sort, and prepare wooden pallets for storage and distribution. The ideal candidate should be physically fit, dependable, and capable of carrying out manual handling duties in a fast-paced environment.

Key Duties:

- Manufacturing and repairing wooden pallets
- Operating basic hand tools and machinery safely
- Loading, unloading, stacking, and sorting pallets
- Carrying out general warehouse and manual handling tasks
- Ensuring compliance with health and safety procedures
- Maintaining a clean and organised work area
- Other reasonable duties as assigned by management

Key Requirements:

- Previous experience in warehouse, manufacturing, or manual labour preferred
- Ability to perform physically demanding tasks
- Basic understanding of workplace health and safety

Good teamwork and communication skills

Ability to follow instructions and work independently

Reliability, punctuality, and strong work ethic

Training will be provided where necessary.

- **Sector:** transportation and storage
