- Doors: Hang and fit internal doors, install frames/architraves, fit ironmongery (handles/locks/hinges), and ensure correct alignment/operation.
- Kitchens: Install new kitchens including units, worktops, panels, plinths, cornice, and associated carpentry finishing.
- General Carpentry & Fit-Out: Skirting, architrave, boxing, repairs, patching, and upgrade works as required.
- Snagging & Finishing: Complete final carpentry snag items to handover standard and maintain tidy work areas.
- Quality & Compliance: Ensure all work is completed to a high standard and in line with health & safety requirements and company procedures.
- Job Updates: Provide progress updates, photos and clear notes (where required) for completed works.
- Fitting of new external windows and doors.
- Installation of new handrails to stairs.
- Roof repairs & bring comfortable at working from heights.
- General 1st & 2nd fix carpentry.

Skills and Requirements:

- Proven carpentry experience in upgrades/renovations (doors, floors, kitchens, general fit-out).
- Strong knowledge of tools, materials, and carpentry installation/repair techniques.
- Ability to work independently, manage time on site, and complete jobs to specification.
- High attention to detail with a strong focus on finish quality.
- Strong problem-solving skills and attention to detail.
- Good communication and time management skills.
- Valid driver's license

What We Offer:

- Competitive salary based on experience.
- Flexible working hours to suit your schedule.
- Opportunities for professional development and training.
- A supportive and collaborative work environment.
- Vehicle, diesel card, credit card & phone
- Target based bonuses for all staff members
