Metal Fabricator/Welder

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We are currently looking for metal fabricator/Welder who will be responsible for fabricating, assembling, repairing, and welding metal structures and components according to engineering drawings, technical specifications, and safety standards. Operates various welding and fabrication equipment to produce high-quality metal products for construction, manufacturing, and engineering projects.

Key Duties and Responsibilities:

- Read and interpret engineering drawings, blueprints, and technical specifications.
- Measure, mark, cut, shape, and assemble metal materials using hand and power tools.
- Perform MIG, TIG, and Arc welding on steel, stainless steel, and other metals.
- Fabricate structural steelwork, frames, brackets, pipework, and custom metal components.
- Operate fabrication machinery including grinders, drills, saws, press brakes, and cutting equipment.
- Inspect completed welds and fabricated products to ensure quality standards are met.
- Repair damaged metal structures and carry out maintenance welding as required.
- Ensure all work complies with health and safety regulations and company procedures.
- Maintain welding and fabrication equipment in safe working condition.
- Work effectively both independently and as part of a team to meet production deadlines.

Skills and Experience Required:

- Proven experience as a Metal Fabricator and Welder.
- Ability to read and understand engineering drawings and fabrication plans.
- Experience with MIG, TIG, and Arc welding techniques.
- Knowledge of metal fabrication processes and workshop machinery.
- Strong attention to detail and commitment to quality workmanship.
- Ability to work safely in a manufacturing, engineering, or construction environment.
- Good communication and teamwork skills.

Remuneration is €36605.00 p/a based on 39 hours work per week. Please apply with CV if you think this role is for you.
