Apprentice and 3rd/4th year apprentice mechanic/ vehicle technician - Apprenticeship

Job Description

We are looking for new apprentices and 3rd/ 4th year apprentices also. Are you keen to learn the trade of a mechanic? good timekeeping essential, ability to take instruction and guidance in a positive but busy work environment, a positive attitude to problem solving and working as part of a team to complete tasks. previous experience a distinct advantage but not essential. You will learn alongside a very experienced team working on a wide variety of vehicles at a well established independent garage. Alongside your apprenticeship curriculum you will also receive extra training in house, online and at third party training events. Must be fluent in English language as good communication is absolutely essential in this position.

For more information please see apprenticeship.ie

Note: As part of the national apprenticeship system, there are formal requirements for approval of an employer's suitability to train apprentices and for registration of apprentices. Advertising on this site does not guarantee that Employers are approved to recruit and train for apprenticeship positions.
