Laboratory Manager

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

The 3 Dental Partnership (Nially Vallely, Peter Doherty, Paul O Connell) t/a 3Dental is seeking a Laboratory Manager to join the team based in Dublin. The role is responsible for overseeing the day-to-day operations of the dental laboratory, ensuring the efficient production and quality control of dental prosthetics and appliances. Responsibilities include managing laboratory staff, coordinating workflow and resource allocation, maintaining compliance with health, safety, and regulatory standards, implementing quality assurance procedures, managing laboratory equipment and materials, and liaising with dentists and clinical teams to ensure timely delivery of laboratory services. The role supports operational efficiency, quality improvement, regulatory compliance, and effective management decision-making across the laboratory function.

The annual salary is €36,605 based on a 39-hour working week.
