Job Description

Hope Autism Care Centre is seeking a skilled Illustrator / Animator to develop visual and multimedia resources for children with autism. The successful candidate will design illustrations, animations, and interactive learning materials to support educational and therapeutic programs, collaborating closely with teachers, therapists, and parents.

Key Responsibilities:

Create individualized educational and therapeutic visual materials and animated content for children with autism.

Develop interactive and age-appropriate resources to support communication, cognitive, and social development.

Collaborate with teachers, therapists, and parents to ensure materials meet individualized learning objectives.

Adapt content to different learning styles and developmental levels.

Qualifications & Skills Required:

Degree in Human Computer Interaction, Illustration, Animation, Visual Arts, or related field.

Experience producing educational or therapeutic content for children, ideally for children with autism.

Proficiency in design and animation software (Adobe Creative Suite, Toon Boom, Blender, or similar).

Creativity, attention to detail, and ability to collaborate effectively.

Highly proficient in spoken and written English

Salary: 36,605 per annum.

Application Instructions:

Interested candidates should submit a CV and portfolio demonstrating relevant experience and skills.

Applications should be sent to hopeadminoffice@hopechildcare.ie
