Financial Strategist

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Key Responsibilities:

Manage and develop relationships with key suppliers, customers, and internal project teams to ensure strategic alignment and business growth

Lead on account management for supplier and customer accounts, resolving complex queries and ensuring service excellence

Contribute to financial strategy and planning, including budgeting, forecasting, and financial reporting

Oversee and manage payment processes, supplier statements, and account reconciliations

Develop and implement accounting procedures and systems to improve efficiency and accuracy

Liaise with senior management to determine financial requirements and contribute to strategic financial decisions

Lead on month-end and year-end accounting procedures, ensuring compliance with financial regulations

Manage financial accounts within the organisation, including accounts payable, accounts receivable, and general ledger

Provide strategic financial advice to internal teams and senior management on accounts and finance matters

Maintain accurate financial records and ensure proper filing and documentation systems

Requirements:

Relevant qualification in Accounting, Finance, Business or a related discipline (NQF Level 6 or equivalent)

Minimum 2–3 years' experience in an account management, finance strategy, or business development role

Strong knowledge of Microsoft Excel and Microsoft Office

Excellent organisational, communication, and strategic planning skills

Strong attention to detail and accuracy

Ability to work both independently and as part of a team

Experience managing financial accounts and developing financial strategy
