CNC Operator

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

John Loughnane & Sons Joinery Works Ltd. are currently looking for CNC Operators for their site located at Monivea , Athenry, Co. Galway.

Key Responsibilities of the role:

- Safely set up, cycle, and operate woodworking CNC machinery to cut, shape, and drill materials to exact specifications
- Read and interpret detailed drawings, architectural blueprints, and workshop cutting lists
- Use CAD/CAM software and nesting programs to program machine paths and optimize raw material usage, reducing waste
- Choose the correct tooling, speeds, and feeds appropriate for various hardwoods, softwoods, and manufactured panels.
- Measure components and conduct thorough inspections of finished pieces against shop drawings before they move to the assembly stage.
- Perform daily routine maintenance, clear waste/debris, and troubleshoot minor mechanical or software issues.
- A clean, organized work environment and strictly adhere to all workshop safety and PPE standards.

Qualifications & Requirements:

- Proven experience operating and programming woodworking CNC machinery (ideally 2- 5 years) in a joinery, cabinet making, or furniture manufacturing setting.
- Strong ability to understand technical joinery drawings

Remuneration is €36,605 per annum based on a standard 39 hour week. If you feel you have the relevant experience for this role, please apply in confidence to sofia@potentialresources.com
