Maintenance Fitter

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Stafford Bonded requires multiple Maintenance Fitters for their premises at Lockheed Avenue, Airport Business Park, Waterford, X91 R2Y0, Ireland

The salary range starts from €36,605 to €56,000 based on a 39-hour week. Salary will increase proportionately if additional hours are required. Salary offered shall be based on relevant experience and qualifications.

Job Summary:

We are seeking a skilled and qualified Maintenance Fitter to carry out preventative and reactive maintenance on mechanical systems and equipment across our manufacturing or industrial facilities. The successful candidate will ensure optimal equipment performance, minimise downtime, and support continuous improvement initiatives.

Key Responsibilities:

- Perform routine mechanical maintenance on plant and machinery
- Diagnose and repair mechanical faults (e.g. motors, pumps, gearboxes, conveyors)
- Install, assemble, and commission new mechanical systems
- Carry out preventative maintenance schedules and inspections
- Read and interpret mechanical drawings and technical documentation
- Collaborate with production teams and contractors as required

Ensure compliance with Health and Safety and HSA regulations

Maintain accurate maintenance logs and reports

Participate in continuous improvement and lean maintenance projects

- **Sector:** wholesale and retail trade; repair of motor vehicles and motorcycles

Career Level

- Experienced [Non-Managerial]
