About Sunergy Solar

Sunergy Solar is a fast-growing residential solar company providing high-quality solar PV installations across the West of Ireland. The company specialises in residential, commercial and agricultural solar solutions and is focused on delivering excellent workmanship, customer service and aftercare throughout every installation.

Role Overview

This role is focused on attending pre-qualified residential solar appointments, conducting in-home consultations, educating homeowners on solar solutions, and converting opportunities into sales.

You will be provided with 15–18 pre-qualified sales visits per week.

The role is ideal for someone who enjoys face-to-face selling, is highly personable, organised, motivated by performance, and wants to build a career within the renewable energy sector.

Key Responsibilities

Attend residential solar consultations with homeowners

Conduct home energy and solar suitability assessments

Explain the benefits of solar PV systems and battery storage

Present tailored solar solutions and quotations

Build trust and rapport with customers

Follow Sunergy Solar's sales process and customer journey

Maintain accurate CRM and pipeline updates

Follow up with customers after appointments where required

Work closely with operations and admin teams to ensure smooth handover after sale

Represent the Sunergy Solar brand professionally at all times
