Computer Numerical Control (CNC) Press Brake Machine Operator

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Job title: Computer Numerical Control Press Brake Machine Operator

Reports to: Production Supervisor

Hours of work: 40 hours per week, 6am to 2.30pm Monday to Friday

We require driven and enthusiastic Team Members who are capable of working in a team orientated environment where we manufacture mobile screening equipment.

Main Duties & Responsibilities:

In this job you will need to understand technical plans and be capable of working out measurements

Processing and preparing raw steel

Meet production targets while maximising efficiency

Ensuring the safe and controlled movement of production parts

Ensure Health & Safety is adhered to at all times

Working as part of a team to develop continuous improvement

The Person:

Previous experience in a similar role

Strong communication skills

Have a proactive approach to problem solving

Proven organisational skills with the ability to effectively plan, organise and control daily workload

Ability to read and understand technical drawings

Ability to work under pressure and be fully dependable and reliable

Ability to use on initiative and work with minimal supervision

Be driven to demonstrate our company values always Respect, Integrity, Improvement, Servant Leadership, Courage, and Citizenship

Why Join Us

We are a global company, and our culture is defined by our Values — Integrity, Respect, Improvement, Servant Leadership, Courage, and Citizenship.

Safety is an absolute way of life. We expect all team members to prioritize safety and commit to Zero Harm.

Our top priority is creating an inclusive environment where every team member feels safe, supported, and valued.

We make a positive impact by providing innovative solutions, engaging our people, and operating in a sustainable way.

We are committed to helping team members reach their full potential.

Through innovation and collaboration, our vision remains forward-looking, and we aim to be a catalyst for change, inspiring others to build a better world for generations.

Starting rate of pay is € 18.05 per hour, Team Member Recognition Scheme payable in December each year, Private Healthcare Insurance paid for by the Company, 23 days holidays, Company Pension Scheme, Life Assurance, Perks Discount Card.

This position is open to non-EEA nationals who require a General Employment Permit to work in Ireland. The employer will facilitate a Labour Market Needs Test to find a suitable candidate.

All applicants must demonstrate through their application form, how they meet the criteria for the position applied for.
