Job Description

Chef de Partie | Learn the Art of Live-Fire Cooking

Location

Clontarf, Dublin 3 Salary: Competitive Hourly + Tips

No accomodation

The Role

This is a call for ambitious chefs who are bored of water baths and microwaves. At Chubby's, we cook with fire. We are looking for a CDP who wants to learn the craft of smoking, curing, and grilling over charcoal.

Why Join Us?

We are not a "churn and burn" kitchen. We are expanding our operation this summer by launching our food truck on-site, working in tandem with the main kitchen.

Master the Fire

You will be trained on the Missouri smoker and clay oven indoors, and the truck operations outdoors.

This variety makes you a more rounded, adaptable chef.

Create

We listen to our team. If you have a dish idea that fits our ethos, we want to taste it. If it's good, it goes on the menu.

Move Up

We promote from within. We are looking for CDPs who want to be Sous Chefs next year. We will give you the training and the responsibility to get there.

What We Need

Solid Skills

You have 2+ years on a section. You work clean, you taste everything, and you stay calm when the tickets fly.

Curiosity

You want to know why we use specific woods or rubs. You are hungry to learn butchery and open-fire techniques.

Apply

If you want to cook proper food with fire and build a real career, email us at hello@chubbyskitchen.ie

with a CV and answer these three questions in your email:

What is your favourite restaurant in Ireland, and why?

What is your favourite restaurant anywhere else in the world?

What is the best meal you have ever eaten in a restaurant? (Not the fanciest—the one that stuck with you).

Note

We are a kitchen built on curiosity. We want to work with chefs who love to eat as much as they love to cook.
