Carpenter

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Arcona Developments Limited require multiple Carpenters for its locations at Arcona Developments, Crowsgrove, Kildavin, Co. Carlow.

The salary range starts from €36,605 to €56,000 based on a 39-hour week. Salary will increase proportionately if additional hours are required. Salary offered shall be based on relevant experience and qualifications.

Arcona Developments Limited is recruiting two experienced Carpenters to join its construction team on residential projects in the southeast of Ireland.

Role Overview

The Carpenter will carry out first-fix, second-fix, and finishing carpentry across new builds, renovations, extensions, and social housing projects. This role is suited to a skilled tradesperson who takes pride in craftsmanship and can contribute to the delivery of high-quality projects.

Key Responsibilities

Perform first-fix carpentry including structural framing, roofing, joists, partitions, and formwork

Complete second-fix carpentry including doors, skirting, architraves, kitchens, and finishing works

Read and interpret drawings, plans, and specifications

Measure, cut, fit, and install timber and other materials to required tolerances

Carry out snagging and finishing works to a high standard

Coordinate with site teams and other trades to maintain programme schedules

Ensure works are delivered in line with quality standards and building regulations

Maintain tools, materials, and work areas in a safe and organised condition

Support renovation and upgrade works on occupied or live environments where required

Report issues affecting quality, safety, or progress to management

Essential Requirements

Qualified Carpenter or time-served equivalent

Safe Pass

Manual Handling certification

Proven experience in residential or commercial construction

Strong knowledge of first-fix and second-fix carpentry

Ability to work from technical drawings

High attention to finish quality

Strong work ethic and reliability

- **Sector:** construction

Career Level

- Experienced [Non-Managerial]
