Job Description

Company Description

O'Donovan Lifts is a family-run Irish lift company specialising in the installation, maintenance and repair of lifts across Ireland. The business was founded in 1973 and has moved to the second generation which hope to expand the business moving forward.

We pride ourselves on delivering reliable, high-quality lift solutions. Our team works across residential, commercial, industrial, and public sector projects. We support clients with everything from routine maintenance to large-scale modernisations and installations.

As our business continues to grow, we are looking for skilled and motivated Lift Engineers to join our expanding team.

Job Description

Lift Engineer role in Cork, Ireland at O'Donovan Lifts - Join Our Team!

Salary: Competitive salary based on experience and qualifications, including overtime and call-out opportunities.

Due to continued growth, O'Donovan Lifts is seeking qualified Lift Engineers to join our service and repair team.

The role will involve servicing, maintenance, breakdown response, and installation of passenger, goods, platform and escalators around Munster mainly Cork and surrounding area.
