## Plasterer

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

We are seeking an experienced and skilled Plasterer to join our growing construction team. The successful candidate will be responsible for carrying out a wide range of internal and external plastering works on residential and commercial projects, ensuring all work is completed to the highest standards of quality, safety, and workmanship. The role requires a high level of technical ability, attention to detail, and the capability to work independently as well as part of a team while meeting project deadlines.

### Key Responsibilities

Prepare walls, ceilings, and other surfaces for plastering by cleaning, repairing, and applying bonding agents where required.

Apply internal and external plaster finishes to walls, ceilings, partitions, and other building surfaces.

Install and finish plasterboard, drywall systems, and suspended ceilings.

Apply skim coats, render, and decorative finishes to achieve a smooth, high-quality surface.

Measure, cut, fit, and securely install plasterboard panels.

Repair damaged plasterwork and restore existing finishes to a professional standard.

Mix plastering materials according to manufacturer specifications and project requirements.

Apply plastering techniques that ensure smooth, durable, and visually consistent finishes.

Ensure all plastering work complies with building regulations, project specifications, and company

quality standards.

Maintain plastering tools, equipment, and work areas in a clean, safe, and organised condition.

Work collaboratively with site managers and other trades to ensure projects are completed efficiently and on schedule.

Follow all company health and safety procedures and wear the appropriate personal protective equipment (PPE) at all times.

#### Qualifications & Experience

Minimum of 3 years' experience working as a Plasterer.

Proven experience in residential and commercial plastering.

Experience with plasterboard installation, skimming, rendering, patch repairs, and finishing work.

Ability to read and interpret construction drawings and specifications.

Strong knowledge of plastering materials, techniques, and finishing methods.

Ability to work independently with minimal supervision.

High attention to detail and commitment to producing high-quality workmanship.

Good communication and teamwork skills.
