Job Description

Archaeological Management Solutions (AMS) Group Limited requires an Assistant Site Director (Archaeological Projects) to work at Fahy's Rd, Drimna, Kilrush, Co. Clare, V15 C780.

The role involves:

contributing to archaeological field projects across designated project sites;
assisting with archaeological investigations;
supporting the recording, analysis and interpretation of findings to contribute to the understanding of past human societies and cultural heritage.

Responsibilities also include:

assisting with post-excavation analysis, preparing and reviewing technical reports;
ensuring compliance with professional, statutory and health & safety standards;
supporting project planning and field operations;
liaising with clients and relevant authorities, maintaining project documentation on SharePoint in line with AMS guidelines;
contributing to the dissemination of archaeological research.

Candidates must hold a relevant archaeology degree (or equivalent), have at least two years of archaeological field experience or experience in a similar role, and possess a driving licence. Salary: €41,600 per annum. 40 working hours per week. Please contact AMS hiring team at hr@ams-consultancy.com.
